

Team Youghal Complete Ring of Kerry Cycle.

www.teamyoughal.com

Team Youghal cyclists successfully competed the very popular Ring of Kerry Cycle on Saturday last in their preparation to this year's Race Around Ireland.

The Ring of Kerry Cycle is the biggest one day charity fundraising event in Munster with thousands of leisure cyclists experience a fun and rewarding day's cycling, while at the same time fundraising for worthy Charities.

The 112 mile leisure cycle takes place around the picturesque Ring of Kerry and to date the Ring of Kerry Charity Cycle has raised over €3.5 million for Kerry Charities and reached a record number of cyclists this year when over 5,000 people took part.

Conditions were not ideal for the 6a.m. start with a very strong headwind all the way to Waterville from the Killarney start, passing through Kilorglin and Cahersiveen en route. The event took in the climb of Coomakista on the way to Caherdaniel, Sneem and Kenmare before the final climb of Molls' Gap and finished in Killarney. The organisation was excellent throughout and with a tail wind in the final hours of the event all the Team finished strongly.

Training has been going very well over the past few months and with only ten weeks to the start of the 2010 Race in Navan Team Youghal are confident of improving on their winning time of 90 hours in last year's race.

Website

Our website is now up and running and we would like to thank all those companies who took out advertising space in support of the team. The website was constructed and is maintained by Team Youghal Cyclist Michael McCarthy and many thanks to him for his excellent work. Please log on to www.teamyoughal.com or become a fan of the team on Facebook to get all the updates.
