

## **KERRY ROSE LAUNCHES TEAM YOUGHAL WEBSITE**

Team Youghal were delighted to receive support from The Kerry Rose, Veronica Hunt, during the launch of their website, [www.teamyoughal.com](http://www.teamyoughal.com), and also to celebrate the support of Youghal Kia for supplying vehicles to the team for The Race Around Ireland.

Veronica, from Youghal, stopped by to give her support to Team Youghal in their upcoming participation in The Race Around Ireland for the Emer Casey Foundation in September. She was impressed with the website and the level of support received by Team Youghal to date. Veronica also admired one of the cars which was supplied to Team Youghal by Pat Ryan of Youghal Kia.

The Website was designed by Team Youghal Cyclist Michael McCarthy and contains all the up-to-date information on the Team and the Race Around Ireland. During the race itself in September there will be hourly updates of the team's progress. It will contain pictures and videos of the event, the route, Press Information and a cyclist profile. You can support the Team by becoming a fan of the Team on Facebook. Team Youghal would like to acknowledge the financial support of Youghal Kia, Youghal News, Coopers Kitchens, Touch of Class, Murphy Insurances, Yawl Bay Seafood, Avonmore House and O'Neill's Oil on the website.

Tommy Roche from Team Youghal said; "It's great to have the support of Youghal KIA and we would also like to take this opportunity to wish Veronica every success in the upcoming Rose of Tralee. I would also like to thank Pat Ryan of Youghal Kia for supplying the Team Cars as they will be essential to the success of Team Youghal during the race."

Team Youghal will be using five vehicles during the race as direct support for their eight man team. These vehicles will be important for sustaining the cyclists and maintaining safety while the race is in progress. Youghal Kia are also providing Team Youghal with a dedicated media car which will be following the Team during the race providing live updates of the Team's progress and sending reports to various media. Pat Ryan of Youghal Kia said; "I'm very proud to be able to support Team Youghal's involvement in The Race Around Ireland as The Emer Casey Foundation is a very worthwhile charity which is doing very valuable work around the detection and treatment of ovarian and uterine cancer."
